Getting Around in CTE Online

Welcome!

This quick guide is designed to help you make the most of the CTE Online Website. Once you've set up your account, you can explore the ways in which CTE Online provides a whole new way to connect with the resources and relationships that can enrich your teaching experience.

Your Home Page

When you log in, you will be directed to your personal **Home Page**. From here, you can view featured projects and CTE Online News and Updates, as well as easily see any "stuff" you've created and any groups of which you are a member.

Did you know?
You can always get back to home by clicking on the words "CTE Online" at the top of any page.

Your Dashboard

Click on your **name** at the top of your CTE Online page and your **Dashboard** opens, allowing you to manage all of your content.

Select the **envelope** to access the **Message Center** to send and receive CTE Online messages.

Edit your **Profile**, change your **Password** and update your **email settings**
