

Green hand out

“Career Education/Work Exploration/Skills”

Task

1. Go to VROP website.
2. Under Events Tab, select In-services
3. Locate Workshop #1 – Bi-Annual Review – Task #2.
4. In the course outline that you are reviewing and revising, one of the Key Units and Assignments must be a **Career Education/Work Exploration unit**.
5. If you do not have a Career Education/Work Exploration unit, please enter this information into your course outline: Title and Description of Unit, Key Assignment, Anchor Standards, Pathway Standards, and Common Core Standards.
6. See attached sample.

Note: We have added this sample to the VROP website for you to use.

7. Finally, if you need the resource, on your table you will find the California Career Technical Education Standards booklet. Make sure to include the Anchor Standards, Pathway Standards, and Common Core Standards to this area of the course outline.
